

Interlibrary loan: Requesting part of a journal (for example a single paper, article or page selection) as a photocopy

Start by accessing the main homepage of the University Library of Erlangen-Nürnberg (<https://ub.fau.de/en/>) then click on Catalogue (OPACplus). On the following page, please choose your preferred library site where you want to pick up your requested photocopies or books.

The screenshot shows the homepage of the University Library of Erlangen-Nürnberg. The browser address bar shows <https://ub.fau.de/en/>. The FAU logo and navigation menu are at the top. A large blue banner reads "University Library of Erlangen-Nürnberg". Below this, a navigation bar includes "Catalogue", "Library Account", "Databases", "Ejournals", "FAQ", and "Online inquiry". A search bar with a "Search" button is present. To the right, there are links for "Online inquiry", "Locations & Opening Hours", "Booking a desk", and "Copy Delivery Service FAUdok".

Below the main navigation, there is a secondary navigation bar with a building icon and links for "Searching", "Studying", "Research", "Collections", and "About us".

The main content area has a blue header with "Catalogue of the University Library" and "Searching". On the left, a "Searching" sidebar lists various services: "Catalogues" (with sub-links for "Catalogue of the University Library", "Regional catalogues", and "Other catalogues"), "Borrowing & ordering", "Databases", "E-books", "E-journals", "Access to electronic resources", "Link server SFX", and "App check".

The main content area prompts the user to "Select a library site, start your search, manage your account:". Below this is a dropdown menu labeled "Please choose a library:" with a "Search" button. Further down, a section titled "Intra-library delivery service is available between the following sites:" lists four library locations in a 2x2 grid: "Main Library Erlangen", "TNZB Erlangen", "WSZB Nürnberg", and "EZB Nürnberg". This grid is highlighted with a red border.

In the search tab please enter your search terms, for example the title of the journal in the field Title words. Please also select Journal/Newspaper from the Publication type list to see only journals and newspapers in the results screen, which will make it easier to find the correct resource
