Individual grants

€750 annually per DFG grant. In case of more expensive book publications higher amounts of up to €5,000 can be requested.

Collaborated Research Centres (SFB)

Publication costs can be financed from lump-sum funds, a maximum of €100,000 per year (funds can be transferred and saved over several years), see DFG forms 60.100 and 60.200 for renewal proposals.

Research Training Groups (GRK)

A total of €20,000 per funding period can be applied for, see DFG forms 54.05 and 54.07.

.

European Commission, European Research Council (ERC)

All EU project results can be published free of charge on Open Research Europe: https://open-research-europe.ec.europa.eu/.

Horizon Europe

Free access to project results is mandatory. Costs might be covered if the Annotated Grant Agreement (AGA) is observed.

European Research Council (ERC)

Free access to the project results is mandatory. ERC covers OA costs provided that the following criteria (https://erc.europa.eu/manage-your-project/open-science) are met and the ERC Grant Agreement is taken into account.

Deposit Obligation

The project results must also be deposited in a trustworthy repository, for example in Europe PubMed Central for life sciences.

You can find further trustworthy repositories, including for research data here: https://www.openaire.eu/find-trustworthy-data-repository.
